St. Lillian Academy educates children who have communication and learning challenges. Our unique team-method of teaching in an integrated, holistic environment involves teachers providing special education services and therapists providing intervention for skills acquisition. Together, our students are equipped and empowered to become active members of our community.

Your company's support contributes to the brighter futures for students who experience challenges in a typical learning environment. By supporting St. Lillian Academy, you support today's students to become active members of our community and you will impact future generations of students as we grow and serve more families each year. We started in 2011 with a vision to create an exemplary education program and have grown to serve 50 students this year. We were voted "Favorite Baton Rouge Special Needs Program" in Parents Magazine, November 2021.

Please find more information about our school and our exciting annual event, Cheers for Children and Champagne Pop Bubble Drop, on the pages to follow.

We ask that you support St. Lillian Academy's through sponsorship of this annual signature event to be held April 2, 2022.

A million thanks for showing your support....

*St. Lillian will host its annual **Cheers to Children** event Saturday, April 2 in person with a live **Champagne Pop Bubble Drop** at the barn of Chanler & Major Mittendorf.*

ABOUT ST. LILLIAN ACADEMY

In 2011, we founded our school with 7 students as a small private Christian school that educates students who have communication and learning challenges. Our bold vision was to start something new, something different, something meaningful...We did!

St. Lillian Academy has a current enrollment of 42 students, with excellent therapy partners on campus that provide speech therapy (ST), occupational therapy (OT), and physical therapy (PT), as well as applied behavior analysis (ABA).

WE ARE: An established program with our therapy partners, esp, pediatric therapy services and touchstone, ABA

- Our education and intervention programs are woven together in a way that provides a blanket of support for our students and families providing steps toward success, different from scattered services that do not progress on a coordinated path.
- Intervention services are provided as meaningful experiences that support the instruction provided in our classrooms
- Classrooms progress the individual skills acquired during individual therapy sessions

WE ARE: Meeting Important Community Needs...

Raising Expectations and Changing Outcomes

Our outcomes are measured by preparation for our students' "next steps" which could include:

- College life
- Independent or supported employment
- Self-care in a meaningful day program

WE ARE: Growing

- With increased awareness of our school and therapy programs, St Lillian Academy is expanding to serve more families
- Our projected growth over the next five years will take us from 40 students to 175 students
- Growth starts NOW! We need your support to help expand our capacity.

YOU CAN HELP US CONTINUE WHAT WE STARTED, AND GROW TO SERVE MORE FAMILIES.

Our vision is unique and exciting. We invite you to invest your time, talent and treasure in this important work that is meeting critical community needs.
