

We are thrilled to announce the opening of our new school, a place where education, creativity, and community come together. As we prepare to welcome our students, we want to create an environment that is not only functional but also inspiring and welcoming. Thank you in advance for your kindness and contributions. Together, we can make our new school a place where every student feels welcome and inspired to learn no matter what obstacles they may face.

HOW TO CONTRIBUTE:

Mail checks to **PO Box 45377 Baton Rouge, LA 70895**

Or call **(225) 771-8171** to make a donation online

MOVING

We are moving to 3172 Government Street! This exciting venture means that our newly combined school will finally be together on one campus. Join us on our journey this summer. Your contribution will help provide moving supplies, trucks, trailers, professional movers, and packing materials needed for our transition.

GOAL: \$5,000

TECHNOLOGY

Give the gift of technology by helping us provide internet access, E-learning tools, and tech education resources for our new campus. You can also help provide assistive technology for our students. These devices and software are designed to help individuals with disabilities access information, communicate, and navigate their environments more independently so that they may maximize their futures and become productive members of our community.

GOAL: \$15,000

SCHOOL GARDEN

This enriching activity will provide hands-on learning experiences about plants, nutrition, and environmental stewardship as well as functional skills for a successful and healthy life after St. Lillian Academy.

GOAL: \$5,000

KID'S KAFE

Our "Kid's Kafe" kitchen program provides life skills development and experiences such as food prep skills, kitchen safety and customer service interactions. We need equipment to set up a warming kitchen and supplies to get the Kafe started. Kitchen training for kids is not just about preparing meals; it's about equipping them with valuable life skills, promoting healthy habits, and fostering a love for food and cooking that can last a lifetime. Through this program our kids will cultivate confidence and independence, math and finance skills, health and safety training, nutrition awareness and more!

GOAL: \$5,000

SECURITY & SAFETY

The safety of our students, staff, and visitors is of paramount importance. As we prepare to welcome students into this wonderful space, our top priority is ensuring their safety and security. Implementing comprehensive security systems will not only provide a safe learning environment but also offer peace of mind to parents and the entire community. Our goal is to raise funds for the following security enhancements:

- Technology for security including controlled access of doors for entry/exits
- Cameras throughout the building to ensure student safety
- Emergency communication systems to facilitate quick and effective communication during any incident

GOAL: \$40,000

PLAYGROUND

Help us stimulate curiosity and promote physical wellness in an inclusive and safe environment for our students. Your support will help provide equipment (such as swings, slides, and climbing structures), and maintenance, as well as safety measures to cushion falls, overhead shade to protect from sun/heat, signage with rules and guidelines, and fencing/locking equipment for security.

GOAL: \$15,000

SIGNAGE

Help us claim our space and showcase our new campus by providing much needed signage. In our effort to create an environment that is not only functional but also inspiring and welcoming, we ask the community to help us provide signs. Please help us provide signs that help guide, inform, and uplift everyone who walks through our doors at St. Lillian Academy.

GOAL: \$5,000

PAINTING

We are so excited about undergoing a transformation, and we need your help to make it happen. A fresh coat of paint can do wonders for creating a vibrant, welcoming, and inspiring environment for our students and staff. To achieve this, we are reaching out to our amazing community to ask for help making our space ours.

GOAL: \$2,000
